Note taker:  
Claudia

State Fleet:

<http://www.colorado.gov/dpa/dcs/fleet/index.htm>

At this MVAC meeting we will be discussing plans to implement the Governor's "25 in 5" initiative, reducing petroleum use by 25% by 2012. Even if you don't normally come to the MVAC, this might be a good one for you to try and attend so your ideas and thoughts can be included in the planning.
